

Certificate of employment

Mr. George Popescu

born on the 18th of April 1986, in Romania, joined our company on the 1st of August 2015 as Strategic Purchaser. He worked at an employment time ratio of 50%.

His responsibilities included primarily:

- Support of purchasing activities
- Support of the PMO objectives (purchasing reporting)

Mr. Popescu has the necessary skills, that he implemented with support in practice. We have known Mr. Popescu as a loyal employee, who planned and organized his activities under clear guidance and instructions. The assigned duties were accomplished rapidly.

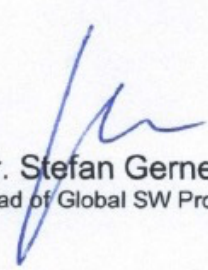

Mr. Popescu brought ideas and was interested to participate in innovations. In hectic situations he maintained an overview and reacted with the necessary reliability. Mr. Popescu could be allocated to new projects and conform to fit. The results were of good quality and he managed large amounts of work.

He oriented himself towards the needs of internal customers and provided good customer relations. Mr. Popescu knew how to promote good teamwork and behaved correctly towards customers, supervisors and colleagues.

Mr. Popescu left our company on the 31st of May 2016 at his own request, in order to pursue a new challenge outside our enterprise. We thank him for the good results and wish him well for the new career and all the best, much joy and success.
