Dear Sir / Madam,

I find great sympathy that I recommend **George Popescu** to you. I have known him since entering our faculty in 2005.

George is an intelligent and motivated individual. He is more than capable of managing a small group of people and a large amount of information. As student at the **Faculty of Automatics and Computer Science**, **George** has achieved different **awards and honors** from the disciplines of his interest such as **Mathematics, System Theory, Discrete Event Systems** and others. He never missed an exam and his overall grades can rank him as being one of the best students here at **Politehnica University of Bucharest**.

George was very much interested in many aspects of academic research and he participated in many Conferences and Seminars beside classes. I believe that by developing quality knowledge and practice he is making strong steps for his professional career and his future.

George would be an asset to any organization and I am happy to give him my wholehearted endorsement.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dumitru Popescu'.
